# BLAZING TRAILS

An effort to build downtown's first mountain bike trails

**Saturday, March 28th, 2009**

**At**

**Devou Park**

**9:30 am - 2:30 pm**

**Register today at [www.ugive.org](http://www.ugive.org)**

Give Back High will assist the Kentucky Mountain Bike Association and the city of Covington in the construction of 8-10 miles of mountain bike trails at Devou Park; the first beginner, intermediate and advanced trails to exist within the urban center of our region.

Please wear sturdy shoes and clothes you don't mind getting dirty. A great deal of this work will be physical, including shoveling, trimming trees, moving logs, smoothing dirt and using tools.

Contact Laura Baverman at [givebackhigh@givebackcincinnati.org](mailto:givebackhigh@givebackcincinnati.org)  
or 513-461-1266.

If you'd like more information about this project or to schedule an alternate date in April or May 2009, please contact Laura Baverman.
